Dear Students of ARTSSCI 3CU3 / Alumni Experience Inquiry,

The university community takes the health and wellness of our members seriously and we are interested in slowing the potential for spread of COVID-19. We are committed to ensuring the successful completion of the current academic term by all of our students. While the University has taken many measures to prepare and keep our community informed as the pandemic has unfolded, the university has made a decision to suspend classes at McMaster.

**McMaster in-person classes and tests for undergraduate and graduate students will end as of Friday 13 March 2020 and no in-person exams will be held at the end of this term.**

The following describes what you can expect for ARTSSCI 3CU3 / Alumni Experience Inquiry between now and the end of the term:

Between now and Tues. 7 April 2020, you can expect the following changes with respect to course instruction and assessment for this course:

- We will no longer be meeting as a class this term and all classes are cancelled. You are, however, still expected to keep up with course readings. To make up for lost participation opportunities, a short replacement assignment built around the readings will be due on April 7<sup>th</sup> at 11:59pm on Avenue. The details of this assignment will be posted on Avenue to Learn on March 18<sup>th</sup>.
- Your remaining creative assignment will still be due on April 7<sup>th</sup> at 11:59pm and should be submitted via Avenue. Please adjust your submission accordingly to ensure that it can be submitted electronically.
- By March 31<sup>st</sup>, you should email me a short note to summarize your communication with your assigned alumni this term (details posted on Avenue to Learn).
- Office hours will be held by phone/email on an appointment basis. Please do not hesitate to contact me for any reason.

If you have a need for accommodations, please continue to communicate with Student Accessibility Services and keep me informed.

In the event of significant changes to the COVID-19 situation, further changes may need to be made to this course. Please visit <https://covid19.mcmaster.ca/> for up-to-date university information.

Sincerely,

Dr. Mat Savelli
