Dear Students of ARTSSCI 4CT3 / Medical Humanities Inquiry,

The university community takes the health and wellness of our members seriously and we are interested in slowing the potential for spread of COVID-19. We are committed to ensuring the successful completion of the current academic term by all of our students. While the University has taken many measures to prepare and keep our community informed as the pandemic has unfolded, the university has made a decision to suspend classes at McMaster.

McMaster in-person classes and tests for undergraduate and graduate students will end as of Friday 13 March 2020 and no in-person exams will be held at the end of this term.

The following describes what you can expect for ARTSSCI 4CT3 / Medical Humanities Inquiry between now and the end of the term:

Between now and Tues. 7 April 2020, you can expect the following changes with respect to course instruction for this course:

- We have had our last class on Friday. Dr. Scott's session sadly will not be held

In addition, you can expect the following changes to the assessments used for this course:

- **As we discussed in class, you can submit your Problem Summaries, Participation and Patient Encounter reports on-line in Teams. I will create Assignment folders for each.**
- **The deadline is April 3rd (as per course outline); there will be no penalties for early submissions.**
- **You are welcome to contact me by e-mail (chari@mcmaster.ca) at any time for clarifications.**

If you have a need for accommodations, please continue to communicate with Student Accessibility Services and keep me informed.

In the event of significant changes to the COVID-19 situation, further changes may need to be made to this course. Please visit <https://covid19.mcmaster.ca/> for up-to-date university information.

Sincerely,

Dr. P.K. Rangachari
